**Part IV Supplemental Information.** Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

**Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.**

The Foundation requires grant recipients to measure their success in attaining program goals. The purpose for asking for an evaluation plan in the application phase is to 1) encourage potential grantees to incorporate evaluation into their planning process from the inception of the program, and 2) to enable outcomes measurement during and at the end of the grant period. The evaluation plan also sets the report criteria for the required six-month and annual progress reports. The evaluation plan/report components include outcomes statement (who or what is expected to change as a result of the grant), the measurable goals for the project, activities to achieve goals, information needed, methods to be used to gather the information and who will be responsible fore gathering it. The six-month and annual progress

**Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S. (continued)**

reports accurately describe the progress towards the goals listed on the evaluation plan submitted with the original application and include an explanation of any variances from the goals or expected progress.
