

Welcome to the Episcopal Health Foundation's (EHF) Grantee Portal

Step 1: If you are a first-time grant applicant and do not have an account, click **Create an account now** to begin the process.

Step 2: Eligibility – answer two questions to determine if you are eligible to move forward. *Note: The green box contains links to reference information that will help answer the two questions.*

Step 3: Click Submit.

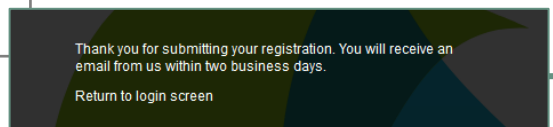

If your organization is eligible, a new window will open to provide your organizational profile.

When you have completed all your answers, click **Submit Request**.

Step 4: The **confirmation** shows the information has been sent to the Foundation.

Once you receive an email from the Foundation, continue with Step 4 on the next page.

We process requests every day, but it may take (1) business day to receive your login credentials and may take longer during peak periods. If you do not see an email within two days, please check your junk email folder.
