

Welcome to the Episcopal Health Foundation's (EHF) Grantee Portal

The Grantee Portal is your online account management tool for all grant related activities with EHF.

The right section provides important information about what you can do within the portal and links to external resources about EHF's grantmaking.

The left shaded area is the navigation bar and allows you to navigate throughout the portal (see details on 2nd page for navigation options.)

Welcome to the Episcopal Health Foundation's (EHF) Grantee Portal.

The portal is where you access EHF's online Letters of Inquiry (LOI), grant applications, and reporting requirements. You may submit an LOI when the acceptance window is open. We encourage speaking with a program officer before submitting an LOI. Please email grants@episcopalhealth.org to schedule a phone call.
