▼ Narrative

Here's the list of counties you anticipated serving with this grant

Brazoria

What counties have you served to date with this grant?

Describe, as appropriate, what you believe to be the impact of the project has been at the individual or client level, at the organizational level, or at the community level?

For example:

- *Has the project contributed in some significant way to general knowledge about a subject? Or to a change in conventional wisdom?*
- *Has it increased the public's access to information?*
- *Has it created a new model for delivering services?*
- *Has it informed public policy? How?*
- *Has it informed the work of other professionals or organizations? How?*
- *Has it changed an institution so that it is better able to fulfill its mission? How?*

What aspects of this project will be sustained beyond this grant? Please explain how you will continue or build upon the work supported by this grant.

During the grant period, have there been any changes in your organization's mission, management, location, programs, and/or overall financial health such as new revenue sources?

In addition to EHF's support, has your organization received funding from other foundations, corporations, or government?

- If so, please give each funder's name, the amount provided, and when it was provided. If you only know the total provided, put that total amount and which funders contributed to it.
- If the support is in-kind and you can estimate the dollar amount, provide that figure; if you cannot estimate the amount, just describe the nature of the support.
- Did EHF funding help lead to this additional funding or was it unrelated?
- Did the project receive funding to support continuation after EHF's funding ended? Please describe the funding: What organization gave it, amount received, and when the funding ends. Then describe the work being done with this funding.

Did you find EHF staff to be helpful to you and your organization throughout the grant period? If so, how?

What could EHF have done differently during your grant? What could we have done more or less to support your project?

What feedback on the grant process or other comments would you like to share?

Do you have any stories that capture the impact of this project? If so, please share one or two.

Please provide examples and stories of people/communities/organizations that the project has helped; lives that have changed; and work that may have led to policy change, such as legislation or regulation.
