

Apply today for the Episcopal Health Foundation's

COLLABORATING FOR HEALTHY COMMUNITIES INITIATIVE (CHCI) PEER LEARNING NETWORK

The CHCI Peer Learning Network . . . *for community leadership development and collaborative success*

Leaders of health-focused collaboratives are invited to join a peer learning network that will combine

PEER NETWORK  STRONG PROGRAM CONTENT  TARGETED COACHING
 VALUABLE LEARNING OPPORTUNITIES

Bring your collaborative's top concerns and explore solutions with other peer leaders.

ENGAGE ● GAIN INSIGHTS ● TAKE AWAY VALUABLE LESSONS

BENEFITS OF THE PEER LEARNING NETWORK

- Expand your understanding of how to build and maintain a strong collaborative
- Access technical assistance to assess your collaborative's current capacity and strengths, and develop plans to address unmet needs
- Appreciate dedicated time to enhance the effectiveness of your collaborative, while working toward your goals
- Connect with peers to solve problems and discuss mutual concerns
